Nuvo has just released its \$130 Ritmo "Advanced Pregnancy Sound System," which is a pregnant belly belt composed of four belly-firing speakers, with a built-in iPod pocket, 3.5mm jack and volume-regulating abilities. You could jack in your phone for a bit of long distance baby conversation, but for the most part you know this belt is going to be inundating your child-to-be with Josh Groban and The Ting Tings. And do you really want that on your conscience? There's video after the break.
